ALL PROPOSALS MUST INCLUDE THE FOLLOWING ELEMENTS:

1. STATEMENT OF PROFESSIONAL EXPERIENCE

State firm's/attorney's current and past professional experience, which is identical with, very similar to, closely approximately and/or directly related to the Scope of Services for Specific Legal Redevelopment Expertise for which the firm/ attorney is submitting a proposal.

Be as specific as possible regarding:

- ***the nature of the referenced work;
- ***the clients for whom the work was performed and/or is being performed;
- ***the relevant third parties with whom the firm engaged, or is engaged with, in order to accomplish the referenced work, e.g., **in representing the Housing Authority of the City of "X", the firm has had and continues to do extensive work with HUD, NJDCA, PERC, Local and State Agencies, and then give appropriate specifics.
- ***the dates which the firm performed the referenced work and/or if the work is currently underway;
- ***any other directly related information which will assist the APHA in assessing the extent to which the firm/attorney has the professional experience, track record and technical competence to successfully perform the Scope of Services described for that portion of the legal services, for which the firm is submitting a proposal.

State the principals of the firm who will be assigned to perform the work. Ensure that in the description of the firm's experience it is very clear to what extent the principals to be assigned to the APHA work were involved in the referenced experience. (Note: For proposal evaluation purposes, the experience, while a member of the firm, of the principal(s) will be given a greater weight than the experience of "the firm" as an entity). The APHA is only interested in experience, track records and technical competence which is directly related to the Scope of Services for specific legal expertise for which the firm is submitting a proposal, not the firm's entire corporate history.

2. PAST AND CURRENT PERFORMANCE:

The Experience offered in 1 (above) is intended to have the firm/attorney demonstrate what work has been accomplished or is being accomplished by the firm as it relates to the Scope of Services. It is also necessary for the APHA to determine how well the referenced work is being accomplished.

The APHA will do so by contacting some of the attorney's/firm's clients for whom the work described in the Experience section (above) was performed.

You must therefore provide a clear listing of clients and contact persons for the experience referenced above (if clients' names and contact persons are clearly included in the Experience description, there is no need to repeat such in this section simply do so by reference). However, be sure that the referenced work experience is tied to specific clients and that specific contact people are named in at least one of the first two sections of the proposals.

3. COST

State the **annual** Cost for providing all legal services specified in the Scope of Services.

The Cost proposed by the firm/attorney must cover ALL elements of the Scope of Services. The prospective agreement for legal services with the APHA will not provide for any additional time and work-related charges and/or "billable" hours over and above the agreed-upon annual Cost.

Also, (for purposes explained later), state the firm's "hourly rate" for members of the firm to be assigned to APHA work. (If the firm intends to assign more than one member of the firm to different portions of the Scope of Service and the hourly rates of the firm's members to be assigned are different, state the rates by member and specify what portion of the work will be assigned to each member referenced).

Additionally, the APHA recommends that the firm estimate and offer the cost element of the proposal in context of the following points:

a. COST CAVEATS

Within the Scope of Services required for legal services, the APHA has provided a range of estimated times which the work described is expected to take in hourly terms. These estimated ranges of expected time are the APHA's best predictions based on prior billing and workloads, not guarantees. The APHA recommends that the given time range estimates serve as the guidelines for developing proposed costs. (If the firm does not wish to utilize the time range estimates provided by the APHA and wishes to determine "Cost" on any other basis, please feel free to do so). In either case, the APHA will include the following provisions in the legal service agreement to be entered into as a result of this RFP, with marginally more or less language variation:

***"If the firm/attorney wishes to keep track of the total time spent on these legal services agreements, and that time exceeds 130% of the higher end of the time estimated by APHA for the entire scope of services and the firm gives the APHA reasonable advance notice, and the APHA is satisfied with the supporting documents presented by the firm, the APHA will give serious consideration (not a guarantee) to amending the agreed upon cost of the services".

*** "Conversely, if the APHA finds that the overall time being spent on the APHA work is 30% less than the lower end of the APHA provided time estimate range for the Scope of Service, after reasonable advance notice, the APHA will adjust the overall Cost of Service accordingly."

b. Payment Method

Payments will be made monthly, of the amount invoiced by the firm and/or approved by the APHA Board of Commissioners.

c. Special Litigation

The legal agreement entered as a result of this RFP, will include the following provisions intended to address extended litigation situations:

In the course of performing the Scope of Services, if the APHA must initiate or is subject to litigation which would reasonably take an inordinate amount of time, relative to the higher end of the APHA's total time estimates, the firm/attorney must inform the APHA as soon as possible of this probability. Provided the APHA concurs, the APHA will execute a "Special Litigation" amendment to the overall contract, (probably on an hourly basis), to pursue and conclude the "special litigation."

(The Special Litigation amendment referenced will cover only the time expended after the amendment is approved by the APHA; any time spent on the case prior to approval of Special Litigation amendment will be considered part of the overall legal services being provided under the primary agreement).

The referenced Special Litigation amendment does not apply to litigation expected to exceed a cost of \$50,000. (Under those circumstances, a separate procurement contract must be completed as per HUD rules).

ALL ENGAGEMENT AGREEMENTS SHALL INCLUDE THE FOLLOWING:

- I. The Asbury Park Housing and (Name of legal services individual or firm) Legal Service Personnel (LSP) engaged to provide professional legal services to the PHA in connection with (briefly and precisely describe the nature, scope and limits of the legal services to be provided by the LSP) agree that the provisions of this Addendum to the Engagement Agreement are hereby incorporated into PHA and LSP's engagement agreement as if they had been set forth at length therein.
- II. During the term of the legal services engagement, LSP shall not, without HUD approval, represent any officer or employee of APHA, in her/his individual capacity, in connection with potential civil liability or criminal conduct issues related to PHA operations.
- III. LSP has an obligation not to, and shall not, interfere with, disrupt, or inappropriately delay or hinder any authorized monitoring, review, audit, or investigative activity of HUD (including the Office of Inspector General), the General Accounting Office (GAO), or the officers and employees of HUD and GAO. Any and all representation by LSP cannot be inconsistent with the foregoing obligation. Specifically, LSP shall not deny

access to HUD, GAO, or the officers and employees of HUD and GAO, to PHA records in response to document demands by HUD, GAO, or the officers and employees of HUD and GAO, notwithstanding possible discovery privileges that would otherwise be available to PHA. HUD requires PHAs to provide HUD, GAO, or the officers agents of HUD and GAO, with "full and free" access to all their books, documents, papers and records. (See **24CFR85.42(e)(1)**).

PHA and LSP shall make available for inspection and copying, by HUD (including the Office of Inspector General)^c, GAO, and the officers and employees of HUD and GAO, all invoices, detailed billing statements, and evidence of payment thereof relating to LSP's engagement. Such records constitute "PHA records" and are subject to Section 3, above.

- IV. If HUD or PHA determines that LSP is violating any provision of this Addendum to the Engagement Agreement, it shall timely notify LSP of such violation. LSP will have 48 hours following its receipt of the notice of violation to cease and desist from further violation of the addendum. If LSP fails to adequately cure the notice violation within 48 hours: (A) HUD, in its discretion, may demand that PHA terminate the professional legal services engagement for breach, or henceforth, satisfy all costs associated with the engagement with non-Federal funds; and/or (B) PHA, in its discretion, may terminate the professional legal services engagement for breach. Additionally, HUD may sanction LSP pursuant to **24CFR Part 2**.
